## Pairing guide

Long press the ok and vol- button at the same time until the red light flashes quickly, then release. This means the remote control has entered pairing mode. Wait for a few seconds without pressing any buttons until a message pops up on the screen that the remote has paired successfully.

❸

# Complete the on-screen setup

Follow the on-screen instructions using your remote to navigate through the setup process.

Android TV makes it easier to get more from your TV. Choose from 400,000+ movies and shows from across streaming services. Ask Google to control your TV, get recommendations of what to watch, dim the lights, and more with your voice. Cast photos, videos, and music from smart devices to your TV with Chromecast built-in.
